**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**LISTING OF CLAIMS:**

Claim 1 (currently amended) A non-handed visor for use on ~~either side~~ a left or right side of a vehicle in cooperative combination comprising:

a frame upper, and a frame lower permanently fixed together; having  
a panel mounted between said frame upper and said frame lower; ~~and~~  
an ear moveably mounted on one end of the frame upper; and  
a moveable mounting device having an upper and a lower mounting point  
providing for both mounting of said ear and a hinge allowing movement of  
said ear

thereby producing a vehicle visor that may be used on either of said sides of a vehicle without the need for side specific parts.

Claim 2 (original) The non-handed visor as claimed in Claim 1 wherein, said frame upper and said frame lower are heat welded together.

Claim 3 (original) The non-handed visor as claimed in Claim 2 wherein, said panel is fixed between the frame upper and the frame lower during said heat welding.

Claim 4 (original) The non-handed visor as claimed in Claim 1 wherein, said panel has a plurality of perforations therein.

Claim 5 (original) The non-handed visor as claimed in Claim 4 wherein, said plurality of perforations are from about 1.5 mm to about 2 mm in diameter and are spaced about 4 mm apart.
